Notice Concerning SSI Recipients' Residential Facilities

Section 1616(e) of the Social Security Act (the Keys Amendment) was enacted in 1977. The "Keys Amendment," as implemented by federal regulation 45 CFR Part 1397, requires each state to make available for public review a summary of the standards used in regulating residential facilities in which recipients of Supplemental Security Income (SSI) reside or are likely to reside.

Standards for some types of facilities are set by the Department of Social and Rehabilitation Services (SRS), while the Kansas Department of Health and Environment (KDHE) sets standards for others. The summary of all standards or further information about the full standards enforcement, procedures, waivers, and violations set by SRS may be obtained by writing to: Department of Social and Rehabilitation Services, George D. Vega, Commissioner of Mental Health & Retardation Services, Docking State Office Building, 5th Floor North, 915 S.W. Harrison, Topeka 66612-1570.

Further information about the full standards, enforcement procedures, waivers and violations set by KDHE may be obtained by writing to: Kansas Department of Health and Environment, Gerald Block, Director of Field Services, Landon State Office Building, 10th Floor, 900 S.W. Jackson, Topeka 66612-1290.

All affected facilities must meet the standards. Compliance with the standards assures that facilities provide a safe and healthy environment for SSI recipients and other disadvantaged persons in need of continuous protective oversight. Persons with knowledge of facilities which may not have met the standards are urged to write either SRS or KDHE at the addresses above.

Article 7.—PROGRAMS AND ACTIVITIES

44-7-104. Inmate visitation. (a) Each principal administrator shall promulgate orders to govern inmate communication with family, friends, relatives and others through visits to the facility. The following rules and procedures shall be observed by facility in the administration of visits.

(1) A suitable area and reasonable space within the facility shall be provided for inmate visitation. All visits shall be held in this area, except when authorization is granted by the principal administrator to visit an inmate elsewhere. The principal administrator, for the reasons of security and order in the facility, may direct that a visit be allowed under circumstances where physical contact between the inmate and visitor is not

permitted.

(2) Each inmate may make a list of not more than 10 friends or relatives for the purpose of visiting the inmate in the facility. A married couple living in the same household shall be considered as one eligible visitor. Furthermore, all of the inmate's children, stepchildren, grandchildren, and step-grandchildren under the age of 18 shall be considered as one eligible visitor. The list of eligible visitors, including the full name, relationship to the inmate, residence or mailing address, and telephone number of each eligible visitor, shall be submitted to the principal administrator for approval. Prior to approving the list of visitors, designated officials shall:

(A) Inform the individuals listed that the inmate has requested permission to receive visits from them and

ask if they want to make such visits;

(B) furnish to each potential visitor a copy of the principal administrator's orders concerning visits and a copy of the secretary of corrections' IMPP 012-115: search of visitors;

(C) conduct investigations necessary to verify the relationship to the visitor claimed by the inmate and confirm that no reason exists for disapproving visitation;

(D) inform the proposed visitors that persons below the age of 18 may not visit, unless they are members of the inmate's immediate family. For the purpose of this section "immediate family" means parents, grandparents, siblings, step-siblings, children, step-children, grandchildren, step-grandchildren and spouse; and

(E) inform the proposed visitors that persons below age 18 who are members of the immediate family, except a spouse, may not visit unless they are accompanied by a parent, legal guardian, or an adult who has been given the power of attorney by the parent or legal guardian vesting the person with authority to transport and supervise the minor child on the premises of the institution or facility for the purpose of visiting an inmate. In those instances where there is not a power of attorney, an adult who is a temporary

care giver of a minor child may authorize visits by the child after providing an affidavit as to their status and relationship with the child and inmate. The principal administrator shall determine if the visit by the minor child will be permitted.

child will be permitted.

(3) Regardless of any visiting list restrictions, an inmate's attorney or clergy shall be permitted to visit the inmate at reasonable times, unless a clear abuse of this privilege has occurred or unless such a visit may prove dangerous or harmful to the security and order of the facility or the rehabilitation of any inmate. The facility and any inmate may be visited at a reasonable time by members of the state legislature, judges of Kansas state courts, members of the Kansas parole board, ombudsman, and at any time by the attorney general or the governor. The secretary of corrections, any deputy secretary, special agent, or the legal counsel of the secretary shall have full access to the facility and any inmate at any time. Each individual requesting a visit with an inmate, who is not designated on the list or who has not yet been approved for visitation, shall be interviewed and identified by authorized personnel. If the requested visit conforms to facility and departmental requirements, one visit may be approved pending further investigation and approval of subsequent visits. Ex-inmates are prohibited from visiting the facility and any inmate unless approval is given by the principal administrator. Parolees and probationers shall first be approved by the principal administrator and have written authorization from their supervisor prior to visitation. No individual involved in or convicted of any narcotic offense shall be permitted to visit a facility without prior approval of the principal administrator. If an inmate refuses to see a particular visitor, the refusal shall be in writing and noted in the records of the facility.

(4) Visitors in the facility shall:

- (A) Wear appropriate attire as described and published by the principal administrator;
- (B) not give or receive any written material, article or merchandise of any sort except in accordance with approved principal administrator's orders or departmental regulations, or with the permission of the principal administrator.
- (C) not be permitted to visit more than one inmate at any one visitation time unless the visitor is a member of the immediate family, as defined in K.A.R. 44-5-113(a), of more than one inmate confined in the facility;
- (D) sign the register of the facility before and after the visitation;
- (E) be subject to search, photographing and fingerprinting;
- (F) have visitation restricted or terminated in the event facility security needs so warrant;
- (G) completely fill out the visitors' security check card; and
- (H) not distribute anything inside a correctional facility without written permission from principal administrator.
- (5) No individual who was an employee of a correctional facility or who regularly worked at a correc-

tional facility as an employee of an entity under contract to provide services to the institution or facility, shall be permitted to have visits with an inmate, in other than a professional capacity, for a minimum of two years after such employment is terminated. Approval of visits after two years shall be at the discretion of the principal administrator upon application of the inmate or former employee. In the event the principal administrator disapproves the visits, the principal administrator shall notify the inmate and former employee of the specific reasons for the denial.

(6) Designated personnel shall be present during all visitations and shall supervise visits to the extent appropriate to protect the nature and privacy of the relationship between the inmate and visitor and maintain

security and control.

(7) An individual's visiting privileges may be suspended if the individual violates any visitation regulation or rule while in the facility or violates K.S.A. 21-3826, or amendments thereto. The principal administrator shall determine the length of any suspension. The initial length of any suspension shall not exceed one year and shall be reviewable on an annual basis thereafter at the request of the inmate.

(8) Any person, including a visitor, shall be subject to search prior to entering the grounds of a correctional facility. An individual's visiting privilege may be suspended for a period of up to 90 days if the individual refuses a request by facility personnel to be searched prior to or after gaining access to facility grounds for the purpose of visiting an inmate. The principal administrator shall determine the length of any

suspension.

(b) A place shall be provided for private consultation by attorneys, priests or ministers or other persons having a statutory right of privileged communication to permit confidential conversation. Only those security measures necessary to preserve security shall be permitted to interfere with the consultation. No sound monitoring shall be conducted. Visual monitoring shall be permitted only where necessary to maintain security.

(c) This regulation shall apply only to the regular inmate visitation program. Any visits to inmates resulting from a program otherwise implemented by the department of corrections shall be regulated pursuant to guidelines adopted specifically for that program. (Authorized by and implementing K.S.A. 75-5210, 75-5251, 75-5252; effective May 1, 1980; amended May 1, 1987; amended May 1, 1988; amended Nov. 12, 1990; amended Jan. 11, 1993.)

Bonds maturing on October 1, 2004, and thereafter will be subject to redemption prior to maturity at the option of the school district, as a whole or in part, in inverse order of maturity (selection of bonds for partial redemption of bonds of the same maturity to be by lot in \$5,000 amounts in a manner as the bond registrar deems appropriate) on October 1, 2003, or on any interest payment date thereafter, at the redemption price of 100 percent of the principal amount of bonds re-

deemed (without premium) plus accrued interest to the redemption date. If the school district elects to redeem and pay any of the bonds prior to maturity, the school district, or the bond registrar acting on behalf of the school district, shall give written notice of the intention to redeem and pay the bonds on a specified redemption date, such bonds being described by number, principal amount and maturity, which notice shall be given at least 30 days prior to the redemption date by (a) United States certified mail addressed to the paying agent and to the registered owner of each bond called, and (b) publication of the notice once in the official newspaper of the state of Kansas. Whenever a bond is called for redemption and payment as aforesaid, interest on that bond shall cease from and after the date for which call is made, providing funds are available for its payment.

The principal of the bonds will be payable at the principal office of the Kansas State Treasurer (the paying agent and bond registrar) to the registered owners thereof upon presentation of the bonds for payment and cancellation. Interest on the bonds will be payable to the registered owners appearing on the books maintained by the bond registrar as of the 15th day of the month preceding each interest payment date (the record dates). The fees of the bond registrar for registration and transfer of the bonds will be paid by the school district.

Conditions of Bids

Bids for the bonds which specify the rate or rates of interest at which the bidder will pay not less than par and accrued interest for the bonds will be received. The same rate will apply to all bonds of the same maturity. Each interest rate specified will be a multiple of ¹/sth or ¹/2oth of 1 percent. The difference between the highest and lowest rates specified in any bid will not exceed 2¹/2 percent. No interest rate will exceed the maximum interest rate allowed by Kansas law, said rate being the index of treasury bonds published in the *Muniweek* in New York, New York, on November 30, 1992, plus 2 percent. Bids of less than par and accrued interest and bids for less than the entire issue of bonds will not be considered.

As further conditions of the bid: (a) the number and denominations of bonds and names of the registered owners to be shown on the bonds initially delivered must be submitted in writing by the successful bidder to the bond registrar not later than December 18, 1992; (b) one week prior to the delivery of the bonds, the successful bidder shall furnish to the district the reoffering prices (excluding interest and expressed as dollar prices) to the public; and (c) a certificate stating that a substantial amount (i.e., 10 percent or more) of the bonds has been or will be sold to the public (excluding bondhouses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at such reoffering prices must be executed by the successful bidder and furnished to the school district at the time of closing.

Bid Form and Good Faith Deposit

Bids will be submitted on the official bid form which may be obtained from the district or financial advisor,

will be addressed to Helen M. Askren, district clerk, at the district office at the address set forth above, and will be marked "Bond Bid." Each bid will specify the total interest cost to the school district and the average annual net interest rate on the basis of such bid. The net interest cost to the school district will be determined by subtracting the amount of the premium, if any, from the total interest cost and will be stated as a dollar amount in the bid. The school district will be entitled to rely on such dollar amount as stated in the bid as the basis for determining the lowest net interest cost bid. If there is any discrepancy between the net interest cost and the average annual interest rate specified, the specified net interest cost will govern and the rates specified in the bid will be adjusted accordingly.

Each bid must be accompanied by a certified or cashier's check in the amount of \$89,400 made payable to Treasurer, Unified School District No. 336, Jackson County, Kansas. In the event a bidder whose bid is accepted fails to carry out the contract to purchase the bonds, said deposit will be forfeited to the school district. The checks of unsuccessful bidders will be returned promptly.

Award of Bid

The school district reserves the right to reject any and all of the bids and to waive any irregularities. Unless all bids are rejected, the bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the school district.

Delivery of the Bonds

Delivery of the bonds will be made to the successful bidder on or before December 29, 1992, at any bank in the state of Kansas or Kansas City, Missouri, at the expense of the school district. Delivery elsewhere will be made at the expense of the purchaser. The purchase price, including accrued interest from the date of the bonds to the date of delivery, will be paid at delivery or the good faith deposit will be forfeited. Payment for the bonds will be made in Federal Reserve funds or other immediately available funds not later than 11 a.m. C.S.T. on the day of delivery. The purchaser will be furnished with a complete transcript of proceedings evidencing the authorization and issuance of the bonds and the usual closing documents, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity.

Approval of Bonds/Tax Exemption

The bonds will be sold subject to the unqualified approving opinion of Cosgrove, Webb & Oman, bond counsel, of Topeka, Kansas, a copy of whose opinion will be printed on the reverse side of each bond. Manually signed originals of the opinion will be furnished without expense to the purchaser of the bonds at the delivery thereof. The cost of the opinion of bond counsel and the expense of printing the bonds will be paid by the school district. Bond counsel's legal opinion will contain a statement to the effect that the bonds are issued pursuant to K.S.A. 72-6761 and 10-101 et seq., as amended, and will constitute general obligations of the school district, payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the school district.

The opinion will state that the interest on the bonds is, under existing law, excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations, provided that for the purpose of computing alternative minimum taxes imposed on corporations, bond interest is taken into account in determining adjusted current earnings. The opinion set forth herein is subject to the compliance by the district with all requirements of the Internal Revenue Code of 1986, as amended, which must be satisfied subsequent to the issuance of the bonds in order that interest thereon be, and continue to be, excluded from gross income for federal income tax purposes; failure to comply with those requirements could cause the interest on the bonds to be included in federal gross income retroactive to the date of issuance of the bonds. The district has covenanted or will covenant to comply with all such requirements. The opinion will state that interest on the bonds is excluded from the computation of Kansas adjusted gross income. No opinion concerning tax consequences other than stated above will be given.

Related Federal Tax Matters

Prospective bond purchasers are advised that (a) with some exceptions, Section 265 of the code denies a deduction for interest on the indebtedness incurred or continued to purchase or hold the bonds; (b) with respect to insurance companies subject to the tax imposed by Section 831 of the code, Section 832 of the code reduces the deduction for loss reserves by a percentage of the sum of certain items which include interest on the bonds; (c) for taxable years beginning before January 1, 1996, interest on the bonds earned by some corporations might be subject to the environmental tax imposed by Section 59A of the code; (d) interest on the bonds earned by certain foreign corporations doing business in the United States could be subject to the tax imposed by Section 884 of the code; (e) passive investment income, including interest on the bonds, may be subject to federal income taxation under Section 1375 of the code for Subchapter S corporations that have Subchapter C earnings and profits if greater than 25 percent of the gross receipts of the Subchapter S corporation is passive investment income; and (f) Section 86 of the code, requires recipients of certain Social Security and Railroad Retirement benefits to take receipts or accruals of interest on the bonds into account in determining gross income. Bondholders should consult their tax advisors with respect to the above.

The school district will designate the bonds as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the code.

Valuation and Bonded Indebtedness

The equalized valuation of property within the school district for the year 1992 is as follows:

(continued)

Equalized assessed valuation of taxable tangible	
property	\$17,913,605
Tangible valuation of motor vehicles	3,824,104
Equalized assessed tangible valuation for	
computation of handed debt limitations	\$21 727 700

The district has a present bonded indebtedness of \$190,000, and, upon the issuance of the bonds described herein, its indebtedness will be \$4,660,000.

CUSIP Identification Numbers

The district anticipates that CUSIP identification numbers will be printed on the bonds. All expenses in relation to printing of CUSIP numbers on the bonds and the expenses charged by the CUSIP Service Bureau for the assignment of said numbers shall be the responsibility of and shall be paid for by the school district. The school district has not applied for a rating on the bonds.
